

The reliable Thomas 185 is a workhorse on the worksite. When the Thomas Model 185 Skid Steer Loader hoists its high-lift bucket with stability and ease, its power is evident.

The Thomas 185 towers over competitors in jobs from paving to loading and more.

Thomas 185: The High-Lift Workhorse

The Thomas 185 has a proprietary universal joint that transfers power from its strong 59.0 horsepower engine to hydrostatic pumps. The 100 chain drive delivers solid traction to its wheels for stability and pushing power on any slippery, muddy, debris ridden worksite.

As tough as its operator, the rugged and dependable Thomas 185 has power and agility to get the job done, safely and efficiently.
